

The Uptown News Beat

Letter from the President

It is with a heavy heart that I report to you we have lost a dear BPW sister, Sandra Elliott, January 22, 2007. As many of you know Sandra had been fighting Cancer for seven years. Under her guidance and passion our club gave more money to MD Anderson cancer research than other clubs for the past 3 years. We are going to issue a special Newsletter later this month honoring Sandra. Please send all your articles/pictures to Sheila Warren our Newsletter Editor by February 15, 2007.

December was very busy for Uptown. We held our annual Christmas Program to raise money for MD Anderson cancer research. Fonda Martin led the program. She had each member bring a gift wrapped in green or red for auction. This year was special - Fonda procured a real Auctioneer to run the auction. The Auctioneer was very entertaining and creative. I am happy to report we raised **\$2,300** dollars.

Evie Adams and her committee bought Christmas for a Mabee Ranch family. It was so much fun buying presents for seven children. Fonda Martin, Evie Adams, her children and I delivered the presents and held a pizza party for the family. The children were very appreciative for all that our club did. For those of you that have never participated in our annual Christmas gift giving you missed a special event. Thanks Evie for another successful and wonderful event.

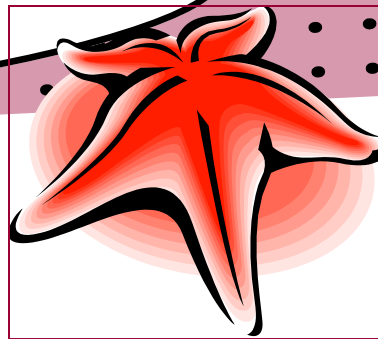

I was unable to attend our January meeting but I hear that Jo Fite and Fonda Martin presented a wonderful program. Both ladies are Mary Kay saleswomen and they showed us how to keep winter skin healthy and beautiful.

Please mark your calendar for our February 14th meeting. We will have a special guest to tell us all about volunteerism and Demetra Johns committee will tell us all about Foundation as February is Foundation month.

The Mid-Year board committee has been meeting and things are looking great for Mid-Year Board March 1st - 3rd. Let's show our support for our very own Madam State President, Patti Humphrey by attending and working this meeting. The call to Mid-Year board and registration are attached - please we need everyone's help to make this a great event.

"Women Making a Difference"

Our ladies are always willing to put on a smile and lend a hand to raise money for MD Anderson.

Congratulations to Jamie Alcocer on her recent graduation from UTPB with a BBA in Accounting with honors.

Who ever said Uptown was stuffy?

Can you guess what these ladies are doing? Look at Madame President, Patti

Humphrey, she is paying close attention to the auctioneer instead of the party going on at the table behind her.....

I do believe that table raised the most money for MD Anderson.....
