**Uptown Midland Business and Professional Women**, established in 1976, is a local organization and a member of **BPW Foundation**. Business and Professional Women (BPW), a national organization founded in 1919, promotes equality for all women in the workplace through advocacy, education, and information.

The Uptown Midland BPW has a rich history of leadership and community involvement. Membership is open to all individuals who support the objectives of the national organization, BPW Foundation. Community involvement includes distribution of scholarships to women returning to college later in life, volunteering for and funding assistance for local nonprofit organizations, and fundraisers for M.D. Anderson Cancer Research Center. We celebrate National Business Women's Week in October and have our Annual Style Show in April; these are our major fundraisers that provide the money for our community projects.

## History of BPW

**Business and Professional Women/USA, founded in 1919, promotes equality for all women in the workplace through advocacy, education and information. With 1,500 Local Organizations across the country and members in every congressional district, BPW Foundation is the leading advocate for millions of workingwomen on work-life balance and workplace equality issues. BPW local organizations provide members with professional development programs, networking, participation in grassroots activism, and opportunities to support scholarships for disadvantaged women.**
