Words from our President

OCTOBER, 2010!!!! Where has this year gone? We are, I believe, officially in the "HOLIDAY SEASON!!" YIKES. Most of the stores are already lined with décor. We have Halloween, Thanksgiving and Christmas and then a new year.

Misty Stewart presented a great program on encouragement and we were so blessed to have all our current scholarship recipients present at our September meeting. We have passed our first amended bylaws. We will be working to improve them and make them our own and to also add policy and procedures this year. Thank you Mary Ann and your committee for all the hard work you have done and that work that is still to be done.

Uptown will be busy too. Our National Business Women's Week event is almost here. We will be honoring a very special lady, Mary Lou Cassidy. She is an attorney, very involved with the arts in Midland and very Funny. I'm sure you will enjoy hearing her story. Please invite everyone you know and encourage your employer to purchase a table. We will also be announcing Uptown's own Woman of the Year. I'm sure that will be someone most deserving also.

Our first meeting on October 13th will be a business meeting and then the NBWW event will be our program meeting for this month. We will only have one meeting in November, which will be a program and then in December we will only have our Christmas party.

Please watch for these events.

October is Breast cancer awareness month, so if you are past 40 or have a history of breast cancer in your family, schedule your mammogram.

Life is too short for drama or petty things, so laugh hard, love truly and forgive quickly. Live while you are alive. Forgive now those who made you cry. You might not get a second time. Lost time can never be found.

Have a great month!!!!!!!

Please let me know if I can be of assistance to any one.

Hope to see you soon.

Glenda Knox, President 2010–2011

Striving for Sweet Success!

UPTOWN MIDLAND BUSINESS & PROFESSIONAL WOMEN'S CLUB Leadership Midland Report October 4, 2010

I attended our first class meeting, **Orientation Day/Planning**, on September 9, 2010. This year's Class has 39 leaders, which is the most they have had in one class year to date. Following our first meeting, we were so eager to get the ball rolling, we met the very next week to discuss **seven** proposed projects!! My project proposal is to help **Safe Place** (battered women's shelter) by creating a **Fantasy Playland** for the children. Also at our September 16, 2010 meeting, I was nominated and elected Secretary for our 2010-2011 Class! I am thrilled to be a part of such an enthusiastic and giving group of individuals, and I look forward to updating Uptown BPW every month with more developments. Please feel free to check out our very own website dedicated to our Class at www.Leadership2011.net, which was created by one of our very own members. Our next meeting will be Thursday, October 14, 2010. At that time, we will be voting and deciding which class project (*or projects!*) we will take on. Here's to **"Striving for Sweet Success!"**

Thank you, Yvonne, for encouraging me to join such a rewarding role of service and leadership.

"HE THAT HAS TWO COATS, LET HIM GIVE TO HIM THAT HAS NONE; AND HE THAT HAS MEAT, LET HIM DO LIKEWISE." (KJV, LUKE 3:10-11)

Respectfully submitted,

....Shirley Harris and *Gone Crazee*.....

We traveled to Colorado the last week of Sept. and spent a week up there in the wonderful cool weather. Smitty and I stayed with my sister and her husband on their ranch. It was great to get up each morning, look out the window and see 3–5 deer grazing on the meadow in front of their house. We didn't see any bear this time—that was ok with me. Did some sight-seeing—went to Navajo Reservoir State Park and had a picnic at the lake. The next day Smitty and I drove up to Piedra Falls. There was water coming over the falls and the color on the drive to the falls was gorgeous.
