President's Letter

My, oh my, the %Dog Days of Summer+are upon us. Last winter when it was 5 degrees for several days and my water at home was frozen, I said I would never complain about summer again, but come on, this is getting a little out of control. I hope I can continue to pay the electricity bill. My AC seems to never cut off.

I had my granddaughter, Hannah, for a week during July. She is 9 now and her favorite things are %SHOPPING+and Hip Hop Dance. Needless to say, when she went home, I was not only exhausted, but pretty broke. But we had a great visit.

Our planning meeting was a great success. We have most committees formed, but if you still want to help out, we welcome you. Much work is being done on the website and with membership and networking, so get ready for some

new and exciting things to happen this year.

Stacy Nelson, with the help of Glenna and Mona is chairing the National Business Women's Week Event. She will need several volunteers for that event. The proceeds from this function help us to fund all the good deeds we do through out the year. That will take place around the 3rd week of October. We will be selecting a Woman of Achievement so if you have someone in mind, please let Stacy know.

The second step in our Take Time year is %Take Time to Think- It is the Source of Power+, so Think before you speak, cruel words can never be taken back. Think before you act. Some times a good nights sleep makes all the difference.

Think positively. Negativity is not becoming to anyone. Think of others and always

give from the heart.

We will be back to our regular schedule in August with our program meeting on August 10th and our business/networking meeting on August 24th. We will also have a board meeting, on August 17th at Arcadis with the meal option decided later.

Please remember if you are a committee chair, you need to submit your budget to the finance committee as soon as possible, no later than August 8th.

Hope you are enjoying these hot summer days. Looking forward to seeing you soon.

May 28, 2011 was the most JOYFUL and BLESSED day of my life. I married the most amazing and wonderful man, Morgan Gandy.

My son Nick Adams honored me by walking me down the aisle on this special day. He was Morgan's Best Man and also accompanied his sister Natalie Adams down the aisle. I was honored to have my daughter be my Maid of Honor.

My son Nick played several roles on this day and did a fantastic job. He was ex-

hausted by the end of the day...dinner and a nap served him well.

Morgan has three Kids, Maddox (4) he was our Ring Bearer and the Twins, Emery and Kamyryn (2) were our Flower Girls '-' We made sure it was a Family Affair...YAY!!

I have Nick (16) and Natalie (12).

For those of you that attended, it was a pleasure to see your face, receive hugs

and speak to you for a while.

Morgan and I are thankful to our GOD that has brought us together 'TO HAVE and TO HOLD' with our kids, but also our families and friends...

Thank you for letting us share "THE GANDY WEDDING" with all of you...we hope you enjoy these pictures.

Blessings!

I would like to thank everyone who attended the last luncheon for coming to hear me speak. The number of guests was impressive, too. There is nothing like getting to talk about yourself and the subject you love.

The Heat is On...The Heat is On.....Yep. In a BIG way. I am so ready for this heat wave to get out of town!!

My goodness, where is this year going?

Knowing that Mr. Smith had to work on Saturday, Rachel and I made plans to eat lunch at Olive Garden (Smitty's least fave restaurant) and we had a very enjoyable meal. We were totally stuffed when we left. So that meant we should do a little shopping to help get the digestive juices flowing.

So we set out to do some damage and for the most part, came up empty handed. I just hate it when you go shopping prepared to spend some money and you cant' find anything you'd take if they gave it to you.....oh well.....saved me from myself I guess.

Below is photo taken on vacation this spring. The gate is on Willow City Loop north of Fredericksburg.
