

June 2009

Dear Uptown family, as my term officially ends tonight at midnight (but who is counting) I just wanted to say how much each of you have meant to me. My two years as our LO president was some of the most memorable times of my adult life. You all have taught me so much. As well as shared with me so much that I can not put into words the depth of my gratitude. As I move to the back row to take my place with the other tenured ladies before me I hope I can be as solid a foundation as what I had to follow. My team (all of you) helped me to grow outside my comfort zone and showed me the way to dig deep to get from goal to goal. These next few months are months of uncertainty and change. But as women we can rise to the occasion with grace and beauty. The face of BPW may be changing but the heart will remain the same.....women helping women. Here's to all of you.....salute!

*Sincerely,
Sheila Warren*

God bless you and keep you safe!
